Gordon Rees Scully Mansukhani has been recognized as the fastest-growing top-100 law firm in the country by *The American Lawyer*. Over the past year, GRSM rose ten spots, marking the largest jump of any firm on the Am Law list.

“This recognition reflects yet another validation of the firm’s commitment to and execution of our focused strategy on scaling the business into a national juggernaut with the capability of delivering superior legal services throughout the country wherever our clients may have needs,” noted Firmwide Managing Partner Dion Cominos. “We are very proud of this accomplishment and look forward to even greater growth and success in the years ahead.”

With more than 1,600 attorneys in over 80 offices nationwide, GRSM remains committed to delivering a seamless, client-focused service enterprise across the United States. Learn more about the [firm’s national platform](#) and [Am Law 100 recognition](#).
