Gordon Rees Scully Mansukhani Minneapolis Co-Managing Partners, **Suzanne L. Jones** and **Ellen A. Brinkman** and the Minneapolis office's growth, diversity, and inclusivity were the subjects of a feature article in the latest edition of *Attorney at Law Magazine*.

The article "Suzanne L. Jones & Ellen A. Brinkman: Fostering a Culture of Inclusion" shares how the collaborative relationship between Brinkman and Jones began and focused on the strength of the firm's commitment to recruit, retain and promote women and individuals traditionally underrepresented in the legal field.

Jones focuses her practice on representing insurance companies across the country in complex first and third-party declaratory judgment actions, breach of contract actions, rescission actions, direct actions, and extra-contractual and bad faith actions. She also represents clients in professional liability, director and officer, and commercial disputes.

Brinkman represents various clients, from small businesses to Fortune 500 companies. She routinely defends various employment, shareholder, and education-related claims in the courtroom and agency settings. In addition, she regularly represents employers seeking to enforce non-competition agreements and other post-employment restrictive covenants.
