Gordon Rees Scully Mansukhani has once again been named among the 25 largest law firms in the U.S., ranking 23rd with 1,025 U.S. lawyers, in Law360's annual survey of the nation's largest law firms.

The survey features the largest domestic and international law firms with a U.S. component as measured by U.S. attorney head count. Gordon & Rees has steadily climbed the rankings since being recognized at No. 75 in the 2014 inaugural edition of the list.

"Thanks to our unique and powerful national platform, we have broadened our presence on a consistent basis such that we now rank among the largest law firms in the country," remarked Firmwide Managing Partner Dion Cominos. "We look forward to further growth and continuing to serve as a 50 state partner for our clients throughout the country."
