### OVERVIEW

Amin Allam is a litigator with a hunger and passion for court practice and procedure. Prior to joining GRSM, Amin worked as a law clerk in small practice litigation. There, he obtained experience in processing and handling hundreds of insurance claims. Amin is a diligent attorney, dedicated to the administration of his clients' matters.

During his law school tenure, Amin won awards for Moot Court and was distinguished with honors as a member of the Order of Barristers. In pursuit of advanced litigation knowledge, Amin has taken specialized courses on Insurance law, Advanced Criminal Procedure, and Health law. Throughout his experiences, Amin has maintained himself as a jack of all trades.

In his free time Amin is a self-taught programmer with advanced knowledge of web development. Amin understands the technical considerations present within Cyber Security, and Artificial Intelligence.

Amin’s favorite programming language is Go, but he has experience with many other languages such as JavaScript, C#, and Python.
