OVERVIEW

Andrea J. Fasolina is an Associate in the New York office of GRSM and a member of the Environmental & Toxic Tort practice group. Andrea helps defend corporations in toxic tort litigation, involving exposures to asbestos and cosmetic talcum powder in personal injury and wrongful death. She participates in all phases of litigation, including drafting responsive pleadings; drafting dispositive motions; drafting written discovery; assisting in trial preparation; and attending trial. Andrea also assists with conducting various research including legal research and research into medical journals.
