OVERVIEW

Brandon S. Sanchez is an Associate in the firm's Irvine office. He focuses his practice on environmental & toxic tort.

With nearly 10 years of experience, he has developed expertise in an array of litigation matters including medical malpractice and administrative law. He has considerable experience taking and defending depositions, motion practice, and has tried a number of cases as second chair. Currently, Brandon focuses his practice on representing national corporations, contractors, distributors, and talc producers in complex litigation matters. He is licensed to practice in California.

Brandon is originally from Glendale, California and presently resides in Irvine. Outside of assisting his clients, Brandon enjoys spending time with his family, surfing, working on cars, and hiking.
