OVERVIEW

Cami brings extensive litigation experience across a broad spectrum of healthcare and professional matters. Leveraging more than a decade of hands-on experience as a Registered Nurse in diverse settings—ranging from pre- and post-surgical care, medical/surgical units, emergency rooms, skilled nursing facilities, to the Utah State Hospital—she delivers robust malpractice defenses for healthcare providers. Her passion for healthcare policy is evident through her numerous publications in law reviews and bar journals.

She has also successfully litigated breaches of contract, fraudulent non-disclosure, property disputes, and other legal matters. She has successfully tried, arbitrated, and mediated various healthcare, property, contract, and personal injury disputes, demonstrating her strong advocacy and negotiation skills.

Cami was awarded an ORCA grant to study French nurses' perceptions of healthcare systems during her undergraduate studies in Nursing at Brigham Young University. She then pursued joint legal and master's degrees, gaining valuable experience through internships with Intermountain Healthcare administration,

the Utah Attorney General's Office, and a law firm in Geneva, Switzerland. Following her graduation, she completed a fellowship at the Rocky Mountain Innocence Center, where she assisted in investigating and overturning wrongful convictions in Utah and Nevada.

REPRESENTATIVE EXPERIENCE

- Received a defense verdict in a medical wrongful death claim trial as third chair
- Contributed to the successful defense of a Utah Supreme Court constitutional challenge to Utah's medical malpractice statute of limitations
- Successfully received stipulated, no pay-out dismissals of multiple medical malpractice cases
