OVERVIEW

Dalia Abdow focuses her practice in the areas of real estate litigation, complex commercial & business litigation, and commercial mortgage-backed securities (CMBS) loan workouts, litigation and enforcement actions. Dalia has handled numerous litigation matters throughout the Midwest for CMBS clients.

Dalia also represents residential loan servicers in litigation matters throughout the country. Her broad background includes assisting financial institutions and real estate related entities in complicated foreclosure matters and lien priority disputes as well as defending financial institutions in a variety of state and federal consumer protection matters.
