OVERVIEW

Elisabeth Axberger primarily focuses her practice on litigation related to cybersecurity and data privacy. She has experience working with clients to assess and mitigate cyber risks, respond to data security incidents, and advise on U.S. and international data privacy law.

Elisabeth's educational background includes a Master of Laws with a concentration in cybersecurity and data privacy from The University of Texas School of Law. Elisabeth is a Certified Information Privacy Professional (CIPP/US), which allows her to offer clients invaluable insights into data privacy compliance and risk management.
