### RELATED SERVICES

- Construction

### OFFICES

- San Francisco

### OVERVIEW

Lori Goldberg is an Associate in the San Francisco office of GRSM and is a member of the Construction practice group. She has extensive experience in all aspects of litigation in multiple counties throughout the state. Her practice includes the representation of developers and general contractors in construction claims involving commercial and residential projects as well as the representation of individuals, corporations, municipalities, and religious institutions in personal injury and premises liability litigation.

Outside the office, Lori is actively involved in her community. She enjoys volunteering at her children's schools, participating in local and global outreach projects, and serving at a food pantry.
