OVERVIEW

Michael P. Bryant is an experienced litigator who has practiced in state and federal courts for more than 20 years. He has represented large corporations, small businesses and individuals. His practice involves representing clients in commercial litigation, products liability cases, class actions, insurance litigation and defending cases brought under consumer protection statutes.

Michael has extensive experience with all aspects of litigation, including written discovery, depositions, dispositive motions and trial preparation, and he has successfully presented cases at mediation, arbitration and trial.
