OVERVIEW

Mitchell Clark focuses his practice on defending companies across various industries, including alternative energy, fintech, insurance, and environmental services, in contractual disputes, state consumer protection law claims, and common law and statutory fraud-related claims. Mitchell also has significant experience defending large manufacturers in toxic tort and product liability cases, defending retailers in premises liability and general liability matters, handling state and federal fair housing discrimination claims against property management companies, and representing licensed professionals in state regulatory board investigations and administrative proceedings.
