OVERVIEW

Rosa Manchester is a Partner in the San Francisco office and is a member of the Commercial Litigation group. She is experienced in defending clients throughout all phases of litigation, from pre-suit to law and motion and discovery, and preparing complex matters for trial and arbitration. She is also well-versed in mediation and has successfully settled numerous cases.

Previously, Rosa counseled insurance companies on coverage issues with her experience focusing on primary and excess commercial and personal lines insurance, and coverage litigation including “bad faith” actions. She also has experience in class action defense, construction litigation and counseling corporations regarding environmental issues.
