OVERVIEW

Shelby L. Dattilo is an Associate in the Hartford office. She is a member of the Commercial Litigation, Product & General Liability, and Employment practice groups. Shelby's practice focuses on litigation matters concerning business and commercial disputes, unfair trade practices, employment practices, product liability, and personal injury. She represents international companies, multinational corporations, national retailers, small businesses, and professionals through all stages of litigation in commercial litigation, complex litigation, employment, product liability, general liability, and professional liability matters.

She has handled all aspects of litigation up to and including trial.

REPRESENTATIVE EXPERIENCE

- Secured win after seven-day trial for international company in commercial litigation case, defending against unfair trade practices claims and succeeding on counterclaims for tortious interference with contract and unfair trade practices.
- Obtained arbitration win in unfair trade practices case for national corporation.
- Successfully obtained injunction for corporate client in complicated land dispute.
