GRSM's New Mexico location has full-service legal capabilities for the firm's regional and national business clients. Our Albuquerque office provides legal services in such areas as employment, medical malpractice, insurance, commercial litigation, professional liability, premises liability, construction, and more.

The GRSM New Mexico attorneys are established and well-known, respected attorneys who have practiced in both state and federal courts in cities such as Albuquerque, Santa Fe, Farmington, Gallup, and Las Cruces.

Our New Mexico professionals recognize and understand the unique nature of New Mexico's legal community and are ready to collaborate with their GRSM colleagues nationwide to provide exceptional service and insight on their matters. GRSM New Mexico licensed attorneys manage cases locally in the Albuquerque office and in our other offices in Arizona, Colorado, Texas, and California. Our New Mexico attorneys play a strategic part in our clients' success and the effectiveness of our 50 state platform.
