Strategically located near state and federal courts, GRSM's Phoenix office serves clients throughout Arizona and the Southwest. Established in 2005, our diverse team of attorneys represents local, national, and international clients as we leverage the strength of our 50 state national platform.

Our Phoenix attorneys are well-versed in handling a wide array of legal matters. These include commercial litigation, construction, employment law, healthcare, insurance, intellectual property, product liability, professional liability defense, toxic tort, and trucking and transportation. We are known for our substantial trial and appellate success in both state and federal courts.

Additional areas of focus include government contracts, renewable energy, and corporate formation. We guide clients through intricate business transactions, mergers and acquisitions, patent, trademark, copyright, and trade secret licensing, software, e-commerce, energy, medical devices, and commercial product distribution deals.

As active members of Phoenix's vibrant legal and business communities, our attorneys belong to the Arizona State Bar, Maricopa County Bar Association, Pima County Bar Association, Arizona Association of Defense Counsel, Arizona Women Lawyers Association, and Arizona Builder's Alliance. We are proud of our Phoenix attorneys who serve as volunteer mentors for startup companies competing in the CleanTech Open, fostering innovation and growth in the region.
