The South Jersey office of Gordon Rees Scully Mansukhani is strategically located in the region's corporate center, a prime suburban area just outside Philadelphia. The office offers seamless access to the entire state of New Jersey, Philadelphia, and Manhattan. Positioned in the heart of a thriving business community, the office located in Marlton, is surrounded by healthcare, accounting, brokerage, and architecture/engineering industries. The building houses a dynamic professional network, including former judges and mediators.

The attorneys in our South Jersey office focus on a wide range of legal services, including healthcare, professional liability, employment law, construction defect and risk, dram shop liability, management liability (including directors and officers claims), environmental claims, and insurance coverage.

The office features modern amenities such as dedicated collaboration spaces and onsite dining, reflecting GRSM's dedication to flexibility and forward-thinking workspaces. Its proximity to local courthouses and major metropolitan areas further enhances our ability to provide responsive and effective representation while fostering connections with the vibrant South Jersey business community.

The office plays a vital role in GRSM's ability to serve clients efficiently and effectively across the region and nationwide.
