GRSM's Ventura County office captures the vitality of Central California, strategically servicing the region between Woodland Hills to Santa Barbara County. The office was established in 2024 to support and extend our full-service, 50-state-platform to meet the needs of clients in the entertainment, retail, healthcare, religious institutions, commercial, education, aviation, and hospitality spaces.

Our office is home to trial lawyers, tested litigators, and transactional attorneys. Ventura County's litigation bench includes a dedicated group of cutting-edge lawyers who not only are trial-ready but also meticulously provide real-time advice and counsel to clients and conduct training on all management, employment, and risk avoidance topics.

All attorneys in our Ventura County location are well known and respected in the community and are intimately familiar with local and California state and federal law, which allows us to achieve optimal legal solutions for our clients locally and across all 50 states.
