## OVERVIEW

The Domestic Relations practice group at GRSM provides strategic advocacy and counsel to protect the rights of our clients. Our family lawyers bring extensive experience in complex cases of divorce and legal separation. Our team will protect your rights, identify legal issues and work aggressively to achieve optimal results in your case.

We handle a wide variety of family law issues, including, but not limited to:

- Prenuptial and Postnuptial Agreements
- Separation Agreements
- Divorce / Dissolution of Marriage
- Alimony
- Child Support
- Equitable Distribution of Property
- Child Custody and Visitation
- Contempt Proceedings
- Enforcement Proceedings
- Modification Proceedings
- Post-Judgment Matters
- Valuation Issues
- Mediation

Family law and divorce legal issues can quickly become complicated. At GRSM, our divorce attorneys have extensive experience in handling even the most complex cases and will work diligently to protect your

rights and interests.
