OVERVIEW

GRSM's Asia Pacific practice is dedicated to providing effective, practical solutions and comprehensive legal services for American and Asian Pacific entities looking to establish and expand their business ventures in each other's countries. GRSM attorneys possess language fluency which enhances its representation to enable its Asian Pacific clients to gain a more nuanced understanding of the American legal process, which might otherwise be lost in translation.

Our Asia Pacific practice operates in a diverse range of industry sectors, extending the firm's broad legal abilities including:

- Technology
- Manufacturing
- Retail and consumer goods
- Energy and renewable resources
- Intellectual property
- Insurance
- Regulatory and corporate governance
- Construction
- Maritime
- Hospitality

We assist our clients with a wide array of services, including:

- Cross-border dispute resolution and litigation
- Cross-border mergers and acquisitions
- Corporate structuring and governance
- Intellectual property protection and enforcement
- Regulatory compliance
- International business transactions

Our practice team includes U.S. lawyers fluent in Chinese, Japanese, Korean, and Vietnamese. Many of our lawyers have firsthand experience living, traveling, studying, and working in the Asia Pacific region, providing deep insights into its languages and culture. The linguistic proficiency and cultural awareness enable us to communicate effectively with clients and agencies, delivering tailored, exceptional services that address the unique needs and nuances of clients in the Asia Pacific region.

GRSM is the first and only full-service American law firm with offices and attorneys in all 50 states, which allows us to provide our Asia Pacific clients with direct support wherever they need.
