OVERVIEW

GRSM is a committed and trusted Medicare partner. Our unrivaled industry knowledge combined with our superior customer service brings unmatched value to our clients. Medicare Secondary Payer (MSP) matters are notoriously complicated, but we know them inside and out. Our attorneys have been at the forefront of these issues since 2001, with a team that includes thought leaders who frequently lecture in the MSP space. We have the knowledge and experience needed to handle Medicare Set- Aside (MSA) allocations, which require a service-oriented team with intense attention to detail to find opportunities to mitigate costs.

Our MSA and ancillary services include:

- Initial MSA consultation
- Workers' Compensation MSAs (WCMSA) and Liability MSA (LMSA) preparation
- Advice on MSA funding (lump sum versus annuity)
- WCMSA and LMSA updates
- Rush MSA preparation
- Obtaining Medicare approval of MSA proposals
- Negotiation of approval with Medicare
- Re-review and Amended Review services
- Social Security verifications
- Medical cost projections and updates

CLIENT FOCUS

We are true partners with our clients. We understand their business and how they approach their MSP obligations, and we help them address their obligations in a way that meets their business goals. We offer every client a dedicated contact, to provide consistency, build a strong relationship, and ensure their policies and procedures are carefully followed. This model gives our clients a direct line of communication to an experienced MSP attorney who is familiar with their business and can provide quick and precise answers.
